ATTENDANCE & DISMISSALS

Attendance: Under Maine State Law, parents or guardians are legally responsible for seeing that their children attend school. School begins at 8:00 AM and students may arrive after 7:15 AM when supervision is available. Dismissal for all students is 2:30 pm.

Absences: In the case of a child who is at least seven years of age and has not completed grade six, Maine State Law defines a truant as the equivalent of **seven full days of unexcused absences** or **five consecutive school days of unexcused absences** during a school year. Therefore if your child is absent, please call the school on that day to inform us. An automated call will be made to parents/guardians if you have not notified the school by 9:30 AM. The call will ask that you contact the school. The following circumstances are considered excusable absences under the law:

1. Medical appointment which could not be scheduled at any other time
2. Illness
3. Family emergency
4. Religious observances which must be celebrated on school days
5. Planned absences

If a parent/guardian calls or provides a written note with the reason for the absence, then the absence is considered excused. Excused absences do not cause a student to be considered truant. The school must report to the state incidences of truancy (7 unexcused or 5 consecutive unexcused absences).

Regular school attendance is a critical factor in your child's academic success. If students are absent for an average of just two days per month, even when the absences are excused, it can have a negative impact. When you make school attendance a priority, you help your child get better grades and develop healthy life habits.

In the event of requesting assignments for an absent student, requests should be made as early during the school day as possible. In the case of planned absences, please contact the office at least 3 days prior to the absence.

Health: Health is very important to the learning process. A child who does not feel well cannot do his/her best work. Please see the China Schools Health Handbook for specific health and medication information.

Dismissals: When arriving to pick up a student for dismissal, parents should check in at the office and sign your student out. Students will be called down to the office or will meet you in the lobby if it is the end of the school day.

Early Dismissal: Should it become necessary to close school early on any day, the announcement shall be made over radio stations and placed on our school website. School Messenger will also send a message to phone numbers that you have provided to the school. We are requesting that all parents establish with your children a procedure for house keys, sitters, and similar problems if early dismissal is necessary.

No School: "No School" announcements will be made over radio stations and placed on our school website. School Messenger will also send a message to the phone numbers that have been given to the school.

TRANSPORTATION

Transportation: The safety of all bus students is of prime concern. The right to ride the bus is contingent upon good behavior and observance of bus rules. The driver is in complete control of the bus and may assign students to specific seats.

Questions pertaining to bus routes, schedules and disciplinary matters may be directed to Lennie Goff, Director of Transportation at: (207) 465-2102.

Bus Notes: If your child is to get off at a different destination at the end of the school day, you must send in a note to the office/teacher with the necessary information on it: your child's name, the date/s you authorize this drop-off and the name and address of the person whose house your child will be getting off at. You may also call the office with this information. Please call before 2:00 pm as dismissal is a busy time in the office.

Please review the following guidelines with your children:

Bus Rules:

1. Pupils are expected to be at pickup points on time. The busses try to run on exact schedules and cannot wait for late comers. Weather, substitute drivers and other extenuating circumstances may alter pickup and drop off times.
2. Pupils are on school property from the time they get onto the school bus in the morning until they get off the school bus in the afternoon.
3. There is to be no food eating on school busses (without driver permission).
4. Students are to get on and off the bus only at their regular bus stops unless a written note from home is approved by the office.
5. Bus windows are opened and closed only with permission of the bus driver, and no one at any time may put any part of their bodies outside the bus window or throw any object out of the window or on the bus.
6. Loud talk, "horseplay", etc. will not be permitted on the school bus at any time.
7. At bus stops, pupils are to remain well to the side of the road until the bus comes to a complete stop.
8. There is no smoking or lighting of matches on the school bus at any time.
9. After leaving the bus (if students must cross the road), students will cross in front of the bus after the bus driver has signaled for them to do so.
10. Damage done to seats or other bus equipment will be paid for by those responsible.
11. All students must be appropriately seated when the bus is in motion and may not change seats without driver's permission.
12. Bus riding is a privilege. The right of students to ride on the school bus depends on their behavior.

Bus Warnings: In cases where a child does not conduct himself/herself properly on a bus, the bus driver will bring such instances to the attention of the transportation supervisor. The transportation supervisor will inform the parents immediately of the misconduct and request their cooperation in monitoring their child's behavior. Children who continue to have behavior problems may have their privilege to ride the bus suspended.

Bicycles: Students must bring a parental permission note to ride their bike to and from school (good for the year). Bicycles, skateboards, roller blades and scooters are not allowed to be used on the school premises while school is in session. Bicycle riders are not expected to arrive before 7:30 A.M.

CAFETERIA & PLAYGROUND

Meals: The cost of lunch is \$2.80 per day for students at China Primary School. Reduced price lunch is \$0.40. Breakfast is served for \$1.15 per day for grades Pre K-4. Individual milk cartons are being sold at \$0.50 for skim and 1% milk, and \$0.55 for flavored skim milk.

The lunchroom is a busy place with many children seated together to eat their breakfasts and lunches. Students are encouraged to use appropriate table manners, use their “inside voices and to respect each other.

Cafeteria Behavior

- I will remain seated until I have permission to leave the table.
- I will talk quietly with my neighbors.
- I will use my fork and spoon appropriately.
- I will eat my food and not “play” with it.
- I will stay in my own space.
- I will keep my hands in my space.
- I will listen to the adults in the cafeteria.
- I will take all of my trash to the trash can.

If I do not follow the rules in the cafeteria:

Mistake	First	Second	Third	Fourth
Hitting, kicking, pushing, fighting, play-fighting	Removed from table to another seating	Lose one recess and parent communication	Lose two recesses, office visit, and parent called	Parent called and out of classroom for half day
Leave the area without permission	Verbal warning	Lose 10 minutes of recess	Lose recess	Office visit and parent call
Loud voice, yelling, shouting	Verbal warning	Lose 10 minutes of recess	Lose recess	Office visit and parent call
Using utensils and food inappropriately	Verbal warning	Removed from table	Lose 10 minutes of recess	Lose recess

Playground Rules: Recess is a time for children to play and socialize out of doors in good weather. During the cold weather months students should be dressed appropriately to enjoy their time on the playground. Parents are asked not to send notes requesting that their child stay inside at recess unless there are very unusual circumstances or a doctor’s note.

Safe Playground

I will use playground equipment safely.

- I will slide **down** the slides.
- I will swing without twisting or turning.
- I will **sit** at the tables and benches.
- I will only use balls in ball-playing areas.

If I am unsafe on playground equipment:

First mistake	Second mistake	Third Mistake	Fourth Mistake
Verbal Warning	Sit on bench for remainder of recess	Inside recess and parent communication	Office visit and parent call

I will treat others with kindness and respect.

- I will only use my hands and feet to help others.
- I will take turns.
- I will use my words to problem solve.
- I will use my words to let others know what I need.
- I will ask an adult to help when I need it.
- I will listen to the adult on duty.
- I will stay inside of the fence and away from doors and windows.
- I will ask an adult if I need to go into the school during recess.
- When the bell rings, I will line up and come in to the school quietly walking.

If I do not treat others with kindness and respect:

Mistake	First	Second	Third	Fourth
Hitting, kicking, pushing, fighting, play fighting	Sit on bench for remainder of recess	Lose one recess and parent communication	Lose two recesses, office visit and parent called	Parent called and out of classroom for half day
Leave the area without permission or do not line up when the bell rings	Lose 10 minutes of recess the following day	Lose one recess	Office visit and parent called	

We encourage and expect KINDNESS at all times.

Cold Weather and Rainy Day Procedures: In the case of extreme cold (temps below 10 degrees, factoring in the windchill) students will remain in their classrooms during recess. The same is true for rainy days.

After-School Activities: Students are reminded that all activities at the school are considered part of the school day. All school rules are in effect at each after-school activity. Children must be supervised by an adult at all times.

COMPUTER & INTERNET USE

Computer Use: Internet access is available to students in the China Schools. In order to maximize the benefits of Internet use and to minimize the potential dangers, students and staff are required to adhere to rules and responsibilities for computer use. Responsible use is: using appropriate language, treating the computers and network with respect, no copying software or information that is copyrighted, using school computers conscientiously. In addition, all users must be aware that there is no expectation of privacy when using computers on the school network. Failure to follow the school rules will result in loss of computer privileges in school and parents will be notified.
