## **Student Emergency Contact Info**

Please review, update, sign, and return your child's emergency contact / permissions sheet, the daily bussing schedule / early release instructions, and the health history and medications forms to us as soon as possible. It is very important that we have accurate and up-do-date contact information in case an emergency or illness should occur while your child is at school. In addition, if there is an unexpected early release due to weather, it is most helpful to have your instructions in advance in order to minimize confusion and stress for your child and for school staff. We appreciate your immediate attention to these important details.

## **Free & Reduced Price Meal Applications**

Applications for free and reduced priced meals at school must be submitted for each school year. Forms were sent home with all students in First Day Student Packets. Please submit your completed application to CPS or to RSU 18 Nutrition Director Barbara Bonnell at 41 Heath Street, Oakland, ME 04963. If you need an application form or need help in filling it out, please call the school office at 445-1550 or Barbara Bonnell at 465-7384 Ext 2661. If you would like to apply online, go to [www.school lunchapp.com](http://www.school lunchapp.com). ***This year, in order for CPS to qualify for federal grant monies, we are asking that all families file a response to this form. If you do not qualify or do not wish to participate, please check off the box on the form or send in a note along with your child's name and return it to us as soon as possible. Thank you.***
