Hello China Primary Families and Students,

I want to take this moment to check in with everyone and give a bit of an update. You all will be receiving a letter in the mail from Mr. Gartley informing you that school will be closed until April 27th. He also describes the change in the way educational resources will be posted on our website. You will now look for your child's grade level rather than their teacher's name. This change will occur sometime next week. Another change is the times that the office will be open to provide you with copies of any materials. The office times will be 8:00 am until 12:00 pm beginning next week. Our pick up times for breakfasts and lunches remains the same, 9:00 am and 11:00 am. Please call and let the office (445-1550) know if you need to have food or materials delivered. We hope to be able to reach students/families who are unable to come to the school.

We hope that our students and their families are well and safe. Teachers have been sharing messages they are receiving from their students and are thrilled to have those connections. They will continue to reach out with emails, calls, Class Dojo messages, etc. Please let your child's teacher or myself know if you are in need or have anything to share.

We are thinking of you all. Take care.

Darlene Pietz, Principal
