Dear CPS Families,

During this time, it seems like changes are happening faster that I can type. However, I do want to keep you posted.

I hope that you all received the letter from Mr. Gartley explaining the plan for RSU 18 in regard to student learning being continued remotely. We will begin to introduce new learning during the first week of May. Our wish continues to be that our schools will re-open before the end of this school year, but safety is the priority.

One change is that new learning will be introduced. We will still be providing materials on the website in grade level folders. Teachers will be making contact through technology in various ways to support your child's learning. I encourage you to contact the school office (445-1550) or your child's teacher to receive the learning material found in the folders. We are happy to deliver the materials to your home. Deliveries are made on Mondays, Wednesdays, and Fridays. Please leave out a box or container to have the items deposited. You may also come to the school Monday through Friday between the hours of 8:00 am and 12:00 pm.

A second change is that food can only be picked up at China Middle School. We have combined the nutrition programs and all meals will be prepared at CMS. Food deliveries are the same with the days being Mondays, Wednesdays and Fridays. Multiple meals will be delivered on those days, as many as three days worth of breakfasts and lunches. Please call the office or tell any school staff member that you would like to have meals delivered to your home.

I will keep providing you with new information as it arises. Please take care of yourselves and your children. We do miss them and hope to see them in the near future.

Take care,

Darlene Pietz
