

Calling all China Primary Students! Do you miss your teacher? Have you ever wanted to be in a parade? Well, our teachers miss you all too and we want to celebrate the hard work you and your families have accomplished since you left our classrooms! China Primary School invites you to join our End of Year Parade on Thursday, June 11 from 6 - 6:30 p.m.! You all get to be the "floats" in our parade and take a ride by the school while teachers and staff stand on our sidewalks and cheer you on! Here are a few ways we will keep everyone safe while celebrating your success:

- ★ Our staff will be standing outside and at least six feet apart to practice social distancing guidelines.
- ★ Please stay in your car with your families and move with the flow of the one-way traffic parade route we will have marked.
- ★ Wave, yell, and say hello to your teachers! Each grade level has been assigned a color so your teachers will be easier to spot!

We will also be honoring our two retirees, Cindy French who is our nutrition site director and Linda Roderique who has been a long time bus driver for China students, and celebrating their many years of dedication and hard work at CPS! This may not be our usual end of year celebration, but we can still end our year "together" from your cars!
